Professional Summary

As a highly motivated and detail-oriented Junior Software Engineer, I bring a solid foundation in software engineering and a passion for creating efficient and adaptable software solutions. I have programming experience in Python, C and Shell, and I'm eager to contribute to creative projects that make use of my abilities. I'm enthusiastic about having an opportunity to advance my career as a junior software engineer and work on innovative projects. With my dedication to quality and my technical proficiency, I am sure that I will be a useful contribution.

Skills

• Python • GitHub • Git and BASH • Ruby • C/C++/ • JavaScript

• HTML/CSS   • MySQL

 • Web development •Shell programming(Vim/Emacs)

• Problem Solving   •Teamwork   • Analytical Skills

Kabarnet High School

High school certificate

Jan 2016 – Sept 2019

ALX-Africa-(Holberton school)

Software engineering , Computer Software Engineering

Enrolled: September 2022

Expected graduation: June 2024

Kenyatta University

Bachelor of education , Mathematics and physics

2020 – 2022

Professional Experience

Software Programming

Having been a coder for more than a year, I've had the opportunity to collaborate on projects with a few coworkers and share ideas while learning from our mistakes. This has made it easier for me to incorporate several essential abilities into my daily work.

I also have the honor of being a member of CodeTrybe, a group of like-minded people with whom I continue to collaborate on several projects available on my GitHub account.

<u>Tutor</u>

June 2022 - September 2023
Cheptenye Boys High School - Kericho, Kenya

<u>Teacher's Assistant</u>

Collaborated with teachers for lesson preparation by preparing materials and setting up equipment.
Assisted lead teachers with lesson plan creation and materials development .
Graded assignments and reported individual progress to teacher.
Facilitated activities in small groups to reinforce concepts taught by class teacher.

<u>Referee:</u>
Madam Josephine ,
Head of Department , Mathematics.
Cheptenye High School
